

# Out-of-Body Experience Residential Retreat

## Testimonials

Bob R.

*A refreshing change from the lecture format in so many workshops. The discussion was lively, and the techniques were simple and effective.*

Ken E.

*Bill is wonderful. The workshop was insightful due to his many personal experiences. Finally, someone I can talk to who knows what this is about.*

Carolyn M.

*A totally powerful experience. If you have ever considered taking a workshop, this is the one! It is packed with information, techniques and answers to all of your questions on out-of-body travel.*

Kim Y.

*It was so exciting. I can't wait to get home and practice the techniques.*

Francine K.

*I started having out-of-body experiences when I was a teenager. I couldn't tell anyone because they would think I was crazy. After the question-and-answer session, I felt good knowing that this is a perfectly natural experience.*

Paul F.

*Wow, what an adventure.*

Mike W.

*This workshop has provided me with the answers I've been looking for most of my life.  
And they were within me all this time.*
